“Strategy Areas”

- **Guided Pathways:** Engage the campus community in the guided pathways initiative with the intent of creating equity and social justice for all students and employees
- **Employee On-boarding:** Revise and implement an employee on-boarding process that includes a structured series of welcoming orientation experiences for all new employees
- **Campus Community:** Build a more cohesive campus community by improving opportunities for cross-training, communication between departments, and interaction opportunities across all functional areas
- **Committee Communications:** Develop and implement a systematic committee communication approach to ensure more consistent and accurate communications across the college
- **Campus Employment:** Strengthen and expand campus-based employment opportunities for specific student populations in order to increase the goal attainment outcomes

2019 Teachers on Teaching Conference

Saturday, February 23rd, 2019

8:30am-3:30pm

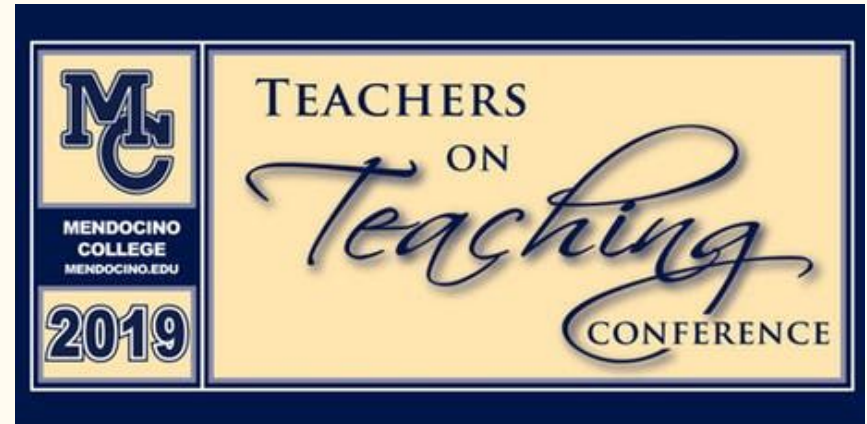

The annual Mendocino College Teachers on Teaching conference is designed to explore a variety of topics of interest to teachers across disciplines from Kindergarten through Community College.

The goal of the conference is to bring educators together to share ideas, build collaboration, and learn about current practices and projects in the community.

The conference is geared to current and future educators.

This year's theme is ENGAGE!
