## **Indigenous Land Acknowledgement**

### **Honoring Native Peoples and Lands**

In the spirit of community, we acknowledge that Mendocino-Lake Community College District encompasses the ancestral and present homeland of the indigenous nations of Mendocino and Lake Counties, including the Cahto, Concow, Nomlaki, Pomo, Pit River, Sinkyone, Wailacki, and Yuki. We recognize, honor, and respect these nations as the traditional stewards of the lands and water on which the District is now present. As a community we acknowledge this legacy.

We recognize that Mendocino College has benefited and continues to benefit from the use of this land. Consistent with our values we will work to strengthen our relationship with native peoples.

By offering this Land Acknowledgement, we recognize, support, and advocate for their sovereignty and will work to hold Mendocino-Lake College District more accountable to the educational needs of local first nations and indigenous people. We take this opportunity to acknowledge the land and our responsibility to the original people and tribal nations of Mendocino and Lake Counties.

The theme for this course is "Truth and Power (Storytelling and Social Responsibility)." In these times of extremity, strife, and divisiveness, it is essential to find avenues for calm and thoughtful communication. Storytelling is a powerful platform for employing such concepts. The class will utilize Narrative Theatre techniques to address the issues of our times thru the lens of the personal story. Students will develop skills and ease of communication thru creating and developing personal stories, reading their stories in class, discussing and reshaping them through a variety of storytelling formats and techniques. At the close of the semester, students will share some of these stories with an invited audience. Call Ellen Weed at (707) 462-6366 if you have questions or for additional information.

## PREREQUISITES, COREQUISITES AND RECOMMENDED PREPARATIONS

It is the intent of Mendocino College to guide students into courses in which they will have the greatest chance for academic success. Therefore, students will find that some have prerequisites, co-requisites or recommended preparation in their description. Following are the definitions for prerequisites, co-requisites, and recommended preparation:

**Prerequisite** - A course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program. Completion of the prerequisite is required prior to enrolling in the course. Successful completion of a prerequisite course means that a grade of A, B, C, or P, was earned; C-, D, F, or NP grades are not acceptable.

**Co-requisite** - A course that a student is required to simultaneously take in order to enroll in another course. (If a course is listed as both a prerequisite and a corequisite it can be taken before or concurrently.)

**Advisories on recommended preparation** - indicates knowledge or skills that will be of great advantage to a student prior to enrollment in a specific course but are not required. (*Recommended Preparations can be found in the Mendocino College Catalog online*)

### Prerequisite Challenge Procedure

If students feel they can meet the requirements, or one of the conditions listed below exists, and can provide documentation, then they can challenge a prerequisite. A Prerequisite Challenge Form can be obtained from the Mendocino College website or Admissions and Records Offices at the Ukiah campus, Lake and North County Centers. The challenge must be filed in the Office of Admissions and Records no later than the first day of the semester. Criteria for challenging a course are:

1. The prerequisite or co-requisite has not been established in accordance with the District's process for establishing prerequisites and co-requisites.
2. The prerequisite or co-requisite is in violation of Title 5, section 55003 Policies for Prerequisites, Co-requisites, and Advisories on Recommended Preparation.
3. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
5. The student will be subject to undue delay in attaining the goal of his/her educational plan because the prerequisite or co-requisite course has not been made reasonably available.
