MENDOCINO - LAKE COMMUNITY COLLEGE DISTRICT

## CO-CURRICULAR ACTIVITIES

The Board of Trustees of Mendocino-Lake Community College District believes that the goals and objectives of the District are best achieved by a diversity of learning experiences, some of which are more appropriately conducted outside the regular classroom environment. These activities may include intercollegiate activities as well as District activities.

All learning experiences offered by the District, curricular and co-curricular, should be planned and integrated toward the attainment of the District goals and objectives.

All co-curricular activities must be approved by the Dean of Student Services and the Vice President of Education and Student Services and shall be under the direct supervision of a Mendocino College faculty/staff.
