No. 4230

MENDOCINO - LAKE COMMUNITY COLLEGE DISTRICT

GRADING AND ACADEMIC RECORD SYMBOLS

Courses shall be graded using the grading system established by Title 5.

The grading system shall be widely available to the public and students via transparent and accessible means, including being published in the college catalog(s) and clearly posted on the college website.

Students shall be awarded credit by assessment for experiences and/or prior learning when sufficient mastery equivalent to course completion that is consistent with the Course Outline of Record and Program Outcomes. The faculty are primary in the development and implementation of assessment processes.

This policy shall be reviewed every three years and the findings reported to the Chancellor's Office.
