greater parts of Lake and Mendocino Counties. Complete with a friendly small-campus academic setting and a respectfully collaborative work environment, Mendocino College prepares students for a future of innovation and success.

The beautifully landscaped main campus is located in Ukiah, California. With views of oak-covered hills, sprawling vineyards, and distant mountains, the 127-acre campus is equipped with a state-of-the-art Library/Learning Center, high-tech Nursing Facility, and Student Center. The college operates two fully equipped centers in Willits and Lakeport, conveniently providing our valued students with quality instruction, academic support and administrative services in neighboring communities. In 2016, Mendocino College expanded its services to the coast, acquiring an established college center in the city of Fort Bragg.

With a comprehensive curriculum and engaging instruction, Mendocino College provides a wide variety of degree, certificate, transfer, occupational, and basic skills programs. Mendocino College students learn in a nurturing and supportive environment enhanced by small-sized classes, personalized academic advising, and several hundred dedicated faculty and staff.

THE COMMUNITIES: Mendocino and Lake Counties include some of California's most picturesque landscape. Because of the geographic location, climate, and natural beauty, Mendocino and Lake Counties attract many visitors. Agriculture, timber, and tourism industries form the economic base of the area with some light manufacturing. Mendocino County has a long and colorful history as a premium grape-growing region within the state's famous North Coast wine country, while Lake County is noted for its pear production and as an attractive spot for retirement and vacationing. A relaxed and friendly lifestyle is characteristic of our communities. Recreational opportunities abound for water skiing, swimming, fishing, boating, sailing, camping, hiking, tennis, and golf.

***Mendocino College** welcomes applications from all qualified candidates who demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of our community college students.*
