

DISTRICT CODE OF ETHICS

The Mendocino-Lake Community College District (District) is committed to maintaining a positive, healthy, and respectful environment for board members, employees, students, visitors and all other parties who conduct business or interact with the District.

The District shall have and uphold a written code of professional ethics which is developed by the Superintendent/President.

The Code of Ethics includes acting appropriately and with integrity, civility, responsibility, confidentiality, accountability, knowledge, accuracy, and professionalism.

Creating a climate of respect and trust is a responsibility shared by all, reflecting a commitment to the College Mission.
