

**SHOWER FACILITIES FOR HOMELESS STUDENTS**

The District maintains shower facilities for student use on campus that may be used by any student including homeless who is enrolled in the current semester, has paid enrollment fees, and is in good standing with the district.

Shower facilities are located at the Physical Education Complex (Room 895 for the Men's Locker Room and Room 886 for the Women's Locker Room) and are open to use by students during regular business hours on regular days. In the event that these hours conflict with the hours of an intercollegiate athletic program, the district will provide notice regarding the disruption at each shower facility location.
