## Mental Health Workforce Education and Training (MHWET) Scholarship

### LETTER OF COMMITMENT

I am applying for the Mental Health Workforce Education and Training (MHWET) scholarship. I understand the scholarship is intended for individuals pursuing higher education in Human Services, Counseling, Social Work, Psychology, or related fields, and who are willing to work within the Mendocino County public mental health services continuum of care.

I understand that the scholarships can be used to cover costs of tuition, books, transportation to classes, and other expenses necessary to complete my academic program.

I agree to make a commitment to work within the public mental health system in Mendocino County for at least two (2) years, which may include time worked while completing my education program.

I agree to make a good faith effort to complete all the requirements of my education program in order to achieve my stated academic goal, and I understand that if I fail to complete the education program due to negligence or irresponsibility on my part, that I will be required to repay all or part of the scholarship funds I receive.
