Public Comment
Edington mentioned that he attended the Statewide Academic Senate meeting. A topic of discussion was the retirement of current Chancellor Brice Harris. Bill Scroggins and Marty Hittelman are interested in the position. Edington will discuss this topic further at the next faculty meeting.

Committee Reports
Part-Time Faculty Report
Crofoot attended a State Council meeting on January 29 – 31st.
- Discussion regarding the impact on K12 and dual enrollment
- Various rules for the K12 system
- Students able to opt out of various testing
Part-time instructors have expressed concern regarding enrollment in their classes. Various classes have been cancelled while others exceed the number of students that should be allowed.

President’s Report
Edelman provided a written report. The following information was provided: BOT meeting (1/13/16) and PBC meeting (1/25/16).

Edelman mentioned that he has received e-mails in reference to faculty office space. He suggested that faculty members review their areas to determine where space is available and what it is used for. He further mentioned that new faculty members will be hired soon. There may be more faculty members than space available.
Edelman mentioned that Dean Kouanchau was supposed to be in attendance today, but she is working on the food pantry and would appreciate additional volunteers.

Edington stated that his office is a drop-off and pick-up location for the food pantry. Dean Kouanchao would like additional people to volunteer, so that this effort can continue for our students.

Edelman will send information to faculty for their consideration. At this time, Edington, Gehrman, and Varela are interested in assisting with this effort.

Edelman mentioned an opening on the Professional Development Leave Committee. Currently there are four volunteers: Vicki Chaudrue, Jody Gehrman, Tim Beck and Nicholas Petti.

Edelman stated that he had received a letter from the committee chair supporting Jody Gehrman for the position.

Edelman asked Catherine Indermill how many people should be appointed to the committee and the timelines that need to be met.

Edington suggested that another Senate meeting be held next week to discuss the committee members and any additional information that is unable to be discussed at this meeting.

**Old Business**

**Continued discussion of AS constitution & bylaw revisions**
Edelman and Edington reviewed the Constitution and Bylaws. The notations are in the Senate packet. The information is being reviewed with the Senate members for consideration and changes.

**Continued discussion of AS elections and future leadership**
Edington mentioned the need for a review of the Constitution to determine what information is more procedural and what information should be placed in the Bylaws.

Indermill stated that she is interested in assisting with this process.

Edington would like another member to help with this review.

Edelman stated a concern with the upcoming timeline and elections.

Edington suggested the information be brought back the Senate for review by the meeting scheduled on March 3rd.
Indermill mentioned that whenever something needs to be fixed we make changes where necessary. She suggested that some of the information be placed in the Bylaws. She found information from 2006 that stated the need to review the Constitution and Bylaws in detail, some of which is critical to our function.

Edelman mentioned that a review of the Constitution and Bylaws is done on a regular basis. He would like to be involved and determine if review and changes are necessary.

Indermill mentioned an issue concerning the election of the President and Vice President. She asked about the requirements to serve in those areas and would appreciate further discussion.

Edelman stated the way the Constitution is written at this point, the Vice President is the President elect, pending a vote of approval by the Full-Time Faculty.

Indermill stated that the position of Senate President and Vice President should be open now to full-time faculty for consideration.

She further stated that if consideration is given to the current Senate membership that some may not be interested or have the skill set to run for the position of President and Vice President. There are particular criteria, skill sets and experiences they should have. There may be current faculty members that are not serving on the Senate that may be interested in the positions.

Edelman mentioned that if current senators are unable to serve, the Constitution does allow for consideration of faculty members that may be interested. The process does favor those that currently serve on the Senate. Edelman stated that this is valuable, as it is preferable to have senate officers that are familiar with current issues under consideration by the senate and key planning committees.

Indermill stated that she is bringing the information forward from faculty members.

Edelman stated that the Senate is working on cleanup of the Constitution. If there is a need for a major overhaul of the Constitution then this discussion should take place over a year rather than over a month to make those changes.

Edington mentioned that the plan was to take and spend most of next year to determine if changes are necessary.
Edelman stated if we need to make changes then we need to do so. If there is a need to restructure then it will require further time and efforts.

Whetzel asked if there were other examples of what other colleges are using.

Edelman will bring the topic back to next meeting, which will be held on Thursday, February 18, from 12:30 – 2:00 p.m.

**New Business**

Volunteers / appointments for faculty to CUE Evidence Team

Edelman mentioned that the CUE Evidence Team is a sub group of the Student Equity Team. This information will be brought to the next meeting. Volunteers are needed and representation from the Science area is needed as well.

Whetzel stated that different sets of evidence teams will look at how we currently do business and determine what changes need to be made.

Committee reports will occur at the 3/3/16 meeting

Old Business
Appoint two faculty to Professional Development Leave Committee
Edelman mentioned an opening on the Professional Development Leave Committee. Currently there are four volunteers: Vicki Chaudrue, Jody Gehrman, Tim Beck and Nicholas Petti.

Indermill stated that she supports Gehrman on this committee due to her prior experience. She also mentioned that the committee members should be non-probational, tenure-track faculty.

Edington stated that Gehrman’s prior experience would be an excellent choice for the committee. It was also mentioned that having a CTE faculty member on the committee would be good.

M/S/C (Edington/Browe) to appoint Jody Gehrman and Nicholas Petti to serve on the Professional Development Leave Committee.

Volunteers/appointments of faculty to CUE Evidence Team
Edelman mentioned that invitations have been sent to particular individuals asking for their participation. Whetzel stated that there will be one large evidence team that will be broken down into smaller teams depending on work assignments. A meeting has been scheduled for March 1, with CUE members.

Edelman encouraged all Senate members to be part of the process.

Whetzel further stated that the process is approximately 17 months. Some of the topics will be: Course completion, Basic Skills, etc.

Varela and Gehrman are interested in assisting with the CUE equity process at later date.

Edelman suggested that any others interested in serving on the evidence team should speak with him or Kate Veno regarding the process.

**Discussion Bylaws and Constitution**

Indermill stated that a discussion regarding changes to the Constitution and Bylaws needs to continue in a faculty meeting or during Senate meetings for the next few weeks. The discussion and suggested changes to the documents would be timely for the fall semester.

Edington agreed that the discussion should start early because of the time needed to review and make changes. He would also like a procedure in place for regular review.

Edelman stated that changes to the Constitution and Bylaws were made at least three years ago and are due for review and further discussion.

Edelman mentioned that he hopes a current Senate member would run for the position of Vice President. If no one is interested in the position, from within the Senate, the opportunity would be open to the full-time faculty for their consideration.

Indermill mentioned that the current Constitution and Bylaws are restrictive regarding elections. She further stated that a six-year commitment could be very difficult for certain faculty members.
In order to serve on the Curriculum Committee there is a list of criteria that each member has to meet. She suggested that there be criteria for the positions of Vice President and President as well.

Edelman mentioned that he is less resistant to open up the position of Vice President. However, he feels that serving as the current Vice-President and being involved in current topics under consideration is very valuable for an incoming senate president. He stated that he prefers that the Vice President move to the position of President because there is a value of continuity. The Vice President would be more effective as President due to prior involvement in committees, history of events, etc. He would like to recruit Senators that are potentially interested in leadership positions in the future.

He agreed, if there is no one interested in the position of Vice President, from current Senate members, that the position would be open to all full-time faculty.

Edington suggested that the Vice President position be open to full-time faculty that have served on the Senate at some point. Some of the topics discussed in Senate are the same, while others are ever changing.

Whetzel stated that she was interested in serving on the Senate, but she is not interested in serving in a leadership role. She mentioned that there are others that are of the same mindset.

McKay mentioned that time away brings a renewed perspective of things, a more engaging perspective.

Indermill mentioned that she is making suggestions on behalf of others. She stated that particular relationships may not be a benefit to the faculty. There is no opportunity to get out of that arrangement. If there were some flexibility, faculty might have an opportunity voice their opinion and others would step up the position.

Edelman suggested that the discussion continue this semester. There are upcoming deadlines that have to be met.

He mentioned if changes are made to the Constitution they need to be voted on by the full-time faculty.
The flow of officers is stated within the Constitution, unless there is an election to change the Constitution.

Gehrman suggest that the Vice President should have served on the Senate at some point.

M/S/C (McKay/Browe) to put forth the changes that we are currently making in our Constitution and to create a ballot for the full-time faculty to vote at the same time.

Edelman mentioned a concern because of lack of clarity in the current constitution. If the Vice President is not a current senator our Constitution and Bylaws do not show us how to proceed.

Edelman mentioned that elections have to be held in April. He suggested that, if necessary, the Senators and President could be elected and vote on the Vice President at a later date, after the revisions to the constitution have been ratified by the faculty.

A suggestion to ratify the Constitution and Senators in April and to elect a Vice President in May.

Motion is withdrawn

M/S/C (McKay/Browe) to hold elections for Senate members and ratify the Constitution in early April.

Edelman suggested when we hold our election we will include revisions to the Constitution.

Indermill mentioned Article II, regarding Academic Senate Committees & Appointments be more specific

M/S/C (McKay/Browe) amend the motion to specify the particular Article and sections of the Constitution.

Edelman suggested a further amendment to include revision to the Constitution or matters that we have been able to reach agreement on. Other items will be revisited in the near future.
Browe asked for clarification from Indermill regarding the upcoming elections.

Indermill stated that she would like the positions of President and Vice President to be open to all full-time faculty for consideration.

Edelman suggested that elections be held. If there is no one interested in running for the position of Vice President than another election will take place.

Crofoot mentioned if changes are made to the Constitution and Bylaws, regarding part-time faculty, there would be a violation to the CBA per article 16.3.

Edelman mentioned that delegating academic committee recruitment or appointment to the unions might be a violation to TITLE V, as these are clearly 10+1 matters. If we make a change then it is up the District to make the necessary changes in the contract language.

**Discuss proposed revisions to AS Constitution with regard to eligibility of officers, division of content in constitution vs. bylaws and any other issues**
To be discussed at the March 3rd meeting.

**Continue discussion of AS bylaw revisions**
To be discussed at the March 3rd meeting.

**Continue discussion of Academic Senate elections and future leadership.**
To be discussed at the March 3rd meeting.

PRESIDENT’S REPORT
For March 3, 2016 meeting

BOT MEETING 2/10/16 (5-6:10 PM)
I arrived at the meeting late (at 6 PM) due to a conflict with one of my classes which meets this semester on Wednesdays until 5:50 PM. When I arrived at the BOT meeting, they were already on trustee reports and soon after went into closed session.

EAP MEETING 2/11/16 (9-10 AM)
1) Program Review Part II: Reid distributed written summaries of program review summaries presented at our last meeting. Dan noted that we still need a report from Fire Science. Ginna said we are also missing a report from Humanities. Rebecca pointed out that this is really a class, not a program and may not require a program review. Dan, Jessica & Steve will present this at our next meeting. We agreed to strike Humanities from the summary list. Debra will follow up with music faculty on issues, but no PAT was assigned. We also discussed issues relating to the welding courses, though it is not really a program (more a “cluster of courses). We agreed to assign a PAT to welding: Steve Hixenbaugh, Kurt & Bob Bartow were assigned to the PAT. ADJ also requires a PAT. This PAT will include Steve Hixenbaugh, Rod Mitchell, Greg Hicks and Bob Nishyama.

2) PAT Updates: Steve reported on BOT & CAM PATs. DJ Kennedy also reported on Paramedic PAT.
   • BOT: Steve presented that BOT is somewhat redundant with Business & Computer disciplines. He mentioned folding BOT into these programs. We asked whether some sort of official program discontinuance process would be necessary. He also introduced us to the statewide Business Information Worker program that has been endorsed by the Chancellor’s Office and which we will be pursuing. Rebecca asked about legal and other issues involved in discontinuing a program. Ginna said that indeed there is a process which must be followed. EAP accepted recommendation to discontinue BOT and create a new program based on the statewide Business Information Worker model. Kurt volunteered to be involved in creation of BIW program.
   • PARAMEDIC: DJ presented on need for a Public Safety Coordinator position. EMT has grown from 39 to 118 students. Dual Enrollment courses have greatly contributed to growth in public safety courses. DJ outlined possible duties of the proposed coordinator position, including overseeing EMT, Fire Science, and Dual & Concurrent Enrollment Programs. He outlined the many specific mandated duties of overseeing these programs, including maintaining standards, accreditation paperwork, maintaining provider & hospital contacts, ordering & maintaining supplies, and meeting attendance. This is all in addition to college responsibilities such as grant development, SLOs & program review processes. Ginna pointed out that this is really a staffing request, and that EAP’s focus is limited to programmatic recommendations. Dan summarized that this is a healthy program that needs coordination. But next step is for this to go through college staffing & Program
Review process. For us, we need this in PAT format. Rebecca suggested that we should have a proposal come to us for a Paramedic Program.

- **CAM:** Steve’s report was postponed until our next meeting.

3) **Fine Woodworking:** Dan made motion to approve proposal for Fine Woodworking certificates. There was no discussion. Motion approved.

4) **Future agenda items (Feb 25, 9:30-11):** We ran out of time before talking about the Program Review Cycle, and the Digital Arts Media proposal.

---

**PBC 2/23/16 (2-3:30 PM)**

1. **Center for Urban Education Update:**
   Kick-off of CUE work will occur on March 1, 2016. Invitations have gone out for faculty / staff “evidence team.” I brought up question about how faculty are being selected to serve on the evidence team, and the role of the senate in appointing these members. Arturo suggested that we talk about potential members in the future. I mentioned that if there is a selective process for faculty selection, then senate should be involved in appointing those who will serve. Arturo and I will speak further about this.

2. **Student Achievement Standards:**
   Minerva reviewed current standards and our success. We discussed setting new minimum standards for the future given our excellent success in meeting previously established institution-set standards in all areas. We agreed to establish institution-set minimum standard at least at the level of the statewide average. For the other standards, we decided to post-pone raising standards until we can collect more data to establish more reliably where our average rests in each of the areas.

3. **2016-2017 FTES Projections (Eileen):**
   Eileen reported on Summer FTES for summer 14/15 & 15/16 and fall 2015 & spring 2016. We will need to set target for 2016/17. Excluding coast, target that will likely be funded by the State is 3120. With consideration of coast, we need to decide how many FTES to add to this for our target. This morning, the Enrollment Management Committee agreed to set target for year at 3320. This is based on two summers at 325 and two semesters at 1335 each.

4. **Budget Workshop (March 22, 2016, 12:30-1:30, room 4210)**
   Eileen reported that she will bring PBC a report the same day as the workshop.

5. **Fine Woodworking Program:**
   VP Guleff presented where we are currently with transition of fine woodworking faculty from CR to us. She also reported on curriculum process to adopt this new program at Mendocino College. Professor Montes has worked with instructor Laura Mays and Dean Polak to revise course outlines to match our current 2016 standards. In order to provide open access, enrollment will be “first-come-first-served” for those who meet the prerequisites and who can commit to the intensive nature of eh program.
6. Proposed change to Program Review Timeline:
VP Guleff stated that the new timeline has been enthusiastically embraced by faculty & staff. PBC approved moving forward with the new timeline.

7. Staffing Requests:
Dean Polak presented staffing requests for two recently vacated replacement positions.
Center Asst-NCC replacement position: PBC approved replacing this position with an increase from a 10-month to a 12-month position (40 hours/week)
Chemistry Lab Technicianreplacement position: PBC recommended filling this at 11 months at 40 hours per week (a replacement position being filled with an increase in hours).
AS VP Jason Edington raised an issue about process, given that there are some positions that do not exist yet but are needed while these positions are being expanded. We agreed that change in program review timeline will improve this situation in the future, allowing more time to consider all staffing requests prior to making decisions on where to move forward.

8. Hiring Update; EEO & Temporary Employee Background Clearance & Hiring Committee Update (Director Meyer)
Director Meyer reported on status of hiring committees & process. All are moving ahead effectively, except we did need to extend the deadline on the AEBG Project Manager position due to an inadequate applicant pool. Director Meyer also reported on equity training in Yuba. EEO advisory committee is being formed. It was also reported that going forward, all temporary employees will need to be fingerprinted in order to be employed, even on a temporary part-time basis.

9. Grants:
Minerva Flores had nothing to report at this time

Meeting adjourned 3:40 PM.

VP / Academic Senate / Deans / Directors Meeting
2/23/16 (4-5 PM)

1. Academic Senate Report
Jason and I reported on current senate activities, including constitution / bylaw revisions, office space issues & online education (Canvas) training over the weekend. Jason pointed out that when students sign in on Canvas, they will see a shell for each of their classes, not just the online classes. So all faculty really need to be trained on this.

2. Ulises & Anastasia reported that the BOG fee waiver will change effective fall 2016. Two consecutive semesters on probation may result in students’ loss of BOG fee waiver eligibility. Ulises reported that over half of our students receive a BOG fee waiver, so this may affect many students!

3. Ketmaní reported on Student Services: ASMC will hold election earlier. Food Pantry may be partnering with Plowshares to enhance student baskets, to include fresh fruit & sandwiches.
4. **Viki Chaudrue Reported on Nursing:** Nursing Asst. Director Position closed. Michael McDonald Concert has sold out! 30% of proceeds will go to Nursing Program to assist graduates to move onto Nurse Practitioner training (RN to FNP).

5. **Anastasia reported on Admissions & Records:** backing up census and also starting to plan Commencement Ceremony for this year. Anastasia is also working on updating policies and procedures.

6. **Matt Gordon reported on Athletics:** Winter sports have ended. Men’s Basketball won tournament, though they are not going to playoffs. Women’s winter sports have also ended. Baseball & softball have started.

7. **Steve Hixenbaugh reported on CTE / Debra Polak reported on Instruction & NCC:** showing 46% bump in K12 students due to dual enrollment. Currently scheduling for Summer & Fall terms. Building strong pipeline with K12 students. Debra also spoke about limitations we face due to shortage of space.
